**Oriwa Extra Virgin Olive Oil

4 ½ stars

The clear favourite with all of the samplers – the balance and rounded fruity notes of this oil delighted, with the peppery and spicy finish giving it character and extra definition. A luscious journey – soft, subtle fruity to peppery finish. Little wonder the bottle proudly displays a gold medal for an Olives NZ competition in September 2007. Produced in Nelson from local olives and also olives from Marlborough. A blend of Tuscan varieties. Would be super over delicate seafood, shellfish.

Would buy again with enthusiasm.
